What Documentation Requirements are there for School Districts?

Sufficient documentation must support and justify the billed and paid claims, and be maintained for a minimum of six years from the date of service.

Processing a Claim

Intergovernmental Transfer Process (IGT)

- ✓ IGT Flowchart available on SBHS website: [IGT Flowchart](#)
- ✓ School districts must submit their required local matching funds within one hundred twenty (120) days from the date HCA sends an invoice to the district.
- ✓ Questions on IGT process? Contact [fiscal staff](#) directly.

What about third-party liability?

School districts may rebill a denied claim only after doing both of the following:

- ✓ Receiving a denial letter or Explanation of Benefits (EOB) from the child's primary insurance carrier.
- ✓ Forwarding the written denial with the claim to the agency's [Coordination of Benefits](#) section.

Remittance Advice

- RAs are a good source for checking compliance. The paid section of the RA can be used to check against a child's file for completed treatment notes. You will want to make sure notes have:
 - ✓ Documented activities and interventions
 - ✓ The child's name
 - ✓ The child's ProviderOne Identification
 - ✓ The child's date of birth
 - ✓ The date of service, time-in/time-out, and the number of billed units
 - ✓ Identified if treatment was for individual or group therapy (if applicable)

Gender and Date of Birth Updates

- Verified with ProviderOne system staff as of 01/27/14:
 - A large number of claims are denied due to a mismatch between the patient's DOB in the provider's record and the ProviderOne's client eligibility file. Providers can send a secure email to mmishelp@hca.wa.gov with the client's ProviderOne ID, name, and correct DOB. The same is true if providers find a gender mismatch; send the ProviderOne client ID, name, and correct gender to the same email address.

Verifying Eligibility

- Coverage status can change at any time
 - ✓ Verify coverage for each visit
 - ✓ Print the Benefit Inquiry result
 - ✓ If eligibility changes after this verification, HCA will honor the printed screen shot
 - Exception: Client with commercial insurance carrier that is loaded after you verify eligibility; commercial insurance must be billed first.
